

Pan-Pacific High School Leaders Meeting for Sustainable Friendship 2024

**Main Theme: To create a global community
where people can enjoy good health and peace of mind**

DATE AND TIME: Sunday, December 1, 2024

10:00 AM - 4:30 PM

PLACE: Takatsuki High School, Osaka, Japan

Overview: Participants will discuss and draft action plans in English on five topics connected to the main theme, alongside high school students from the Republic of Palau and Taiwan. In each working group, experts in various fields will help them improve the plans, sharing knowledge on each topic to let the participants deepen their understanding.

[A-1] How will humanity deal with infectious diseases in the future? (How can we utilize what we have learned from the COVID-19 pandemic?)

[A-2] How can we achieve a long and healthy life? (NCD prevention, obesity prevention, stress prevention, etc.)

[B-1] What kind of education is necessary to increase cross-cultural understanding and tolerance?

[B-2] How can we foster moral and ethical views in primary and secondary education? (What is your relationship with religion?)

[C-1] How should human society deal with advances in science and technology? (Problems brought about by AI, nuclear power issues, smartphone addiction)

[C-2] The need to recognize the benefits and risks of an advanced information society (Useful information and manipulated information, avoidance of personal isolation)

[D-1] Sharing the current state of global warming (including environmental pollution) and what can be done at the citizen level to combat it?

[D-2] What is the action plan for "coexistence with nature" that can be done at the citizen level?

[E-1] How can we improve disaster prevention awareness in daily life?

[E-2] What should support organizations and supporters keep in mind during disasters?
